Join the movement to ensure that big donors don't drown out voters' voices this election cycle. We need a constitutional amendment to restore limits on election spending removed by the U.S. Supreme Court.

Here are two ways you can help:

1. Ask 2014 candidates to agree to reject outside spending this cycle at peoplespledge2014.org.
2. Email your Senator to support the amendment at democracyisforpeople.org.
